German Mounting Hardware for LANmark

LANmark German Style Angled 50 x 50 Module 2 Snap-In White

Nexans Ref.: N423.702N

- German style 50 x 50 mm outlet module
- Kit with metal mounting frame and plastic front module
- Angled design
- Accommodates all LANmark Snap-In connectors
- Suitable for both copper and fibre
- 2 ports
- Colour white (RAL 9010)
- Supplied with screw

DESCRIPTION

Application

- The German style 50x50 angled module can accomodate 2 LANmark Snap-In connectors.
- It is also designed to hold fibre Snap-In adaptors, LC or SC, duplex or simplex.
- For detailed information on Nexans Snap-In connectors, please refer to the corresponding datasheets.

Guarantees

- The plastic material is UL 94V0

Installation

- The Snap-In connectors easily clip in the shuttered 2 port module, which then is mounted into the metal frame without the need for any tools.
- The metal frame has vertical and horizontal mounting holes for maximum installation flexibility.
- Once the 2 port module is installed in the metal frame, the 50x50 front module can be simply clipped into the metal frame without any tools or fixings.
- A self-tapping screw, which is supplied with the outlet, can be additionally used to improve the retention of the outlet when installed into non-Nexans branded wall frames or trunking systems.
- Due to the angled position of the connectors, the minimum bend radius of the cables is maintained, even in situations where depth is restricted.

Features

- Labelling window for easy management and port identification.
- Compatible with all Nexans Snap-In format connectors and adaptors.
- Compatible with Nexans German style structural hardware.
- Fits into a wide range of German style 3rd party frames, surface mount boxes and trunking.
- Allows vertical and horizontal mounting.
- Shutters are removable and can be replaced with coloured versions in order to differentiate between various services or applications.
Included in the kit:

- Metal mounting frame
- Shuttered 2 port Snap-In module
- 50x50 front module with labeling window
- Self-tapping screw
